7:54:01 PM	YutYut Cowabunga 586406520	Ok so I have a question. I've got 3 first degrees (our vetting process is quite extensive) but they are solid and all were at DC last time and followed my orders and want to be a part of this. I make them put 1° in their title until they get their 2nds. I am still wary about adding them however since they aren't officially 2nds. What do you guys think and is there a ruling on this?
7:54:45 PM	Captain Trump 454128414	How long you keep guys 1sts?
7:55:41 PM	[REDACTED]	I have a similar situation. My guys are 1st degree for 6 months.
7:57:37 PM	YutYut Cowabunga 586406520	We keep them as a prospect until they make a public meeting and pass a background check and send us a pic of them with their drivers license. Then we send them into stage 2 prospect if we like them where they have to meet us 3 times as well as allow us to visit their home. Then if we still like them we vet them as 1st degrees at which point they have to attend 3 official meetups and one public charity or event. Then if we still like them we beat them in
7:57:59 PM	YutYut Cowabunga 586406520	So usually they are 6 months prospect and about 4 as a 1st degree
7:59:20 PM	YutYut Cowabunga 586406520	These particular dudes I haven't seen intoxicated either, and they are very responsible
8:00:02 PM	NOBLE LEAD 581632416	[Empty File]
8:00:43 PM	NobleBeard 1261651524	This is how we do it
8:01:03 PM	YutYut Cowabunga 586406520	So my guys don't get it before the 3 months period.
8:01:26 PM	YutYut Cowabunga 586406520	These guys were all at the DC rally and followed my commands the entire time
8:01:39 PM	YutYut Cowabunga 586406520	If no one else is allowing 1st degrees I won't either
8:01:50 PM	YutYut Cowabunga 586406520	I was just wondering what everyone else was doing
8:02:07 PM	Captain Trump 454128414	I mean, I didn't, idk about anyone else
8:02:19 PM	Captain Trump 454128414	Tough call
8:02:53 PM	NobleBeard 1261651524	I would say 2nd and up
8:02:57 PM	[REDACTED]	If you trust them enough to add them to something like this, why not just make them a 2nd degree?
8:03:52 PM	YutYut Cowabunga 586406520	I'm not the prez I'm the VP
8:04:06 PM	[REDACTED]	We go 45 for first 45 for second but but usually have around 8-10 meetups before the second. I've got one first I want to get he was fantastic in dc. But I'm gonna make him get his 2nd first
8:04:34 PM	YutYut Cowabunga 586406520	Ok I won't add them

10:04:16 PM	Rufio PNW 573782641	I know. I’m talking about putting funds together for a specific list of items for leadership only. Not everyone can afford them and that’s fine, but let’s put a list together and I’ll see what I can do
10:04:51 PM	Captain Trump 454128414	Yeah exactly, I didn’t have issues personally in DC, just heard some others say they did
10:05:47 PM	[REDACTED]	Leadership uniform suggestion not larpy at all 
10:07:03 PM	Captain Trump 454128414	Lmao, I couldn’t imagine the memes that would come from this
10:07:29 PM	[REDACTED]	I think we should have ran with the stormtroopers for trump shit
10:08:02 PM	NOBLE LEAD 581632416	We do need a purchase list
10:08:06 PM	NOBLE LEAD 581632416	2 tiers

10:08:24 PM	NOBLE LEAD 581632416	One for people that can afford some good shit
10:13:03 PM	Captain Trump 454128414	Yeah prob a good place to find some of these things too, amazon only has so much and the quality is always a surprise, lol
10:13:29 PM	[REDACTED]	Stab vest, and helmet for sure. Bump cap saved me in Kzoo, but it gets knocked off after the first hit

8:35:32 PM	NOBLE LEAD 581632416	Who's the Prez there?
8:36:51 PM	[REDACTED]	Agreed
8:36:53 PM	[REDACTED]	Our disposition towards the police needs to be reevaluated
8:37:17 PM	[REDACTED]	Not sure what to do about it thought because it would be an escalation that we would never be able to back away from
8:38:38 PM	[REDACTED]	I see it as an inevitability.
8:39:54 PM	[REDACTED]	Very true. I'm ready for the escalation but i worry about some of our guys.
8:40:09 PM	[REDACTED]	We can/should start adopting black bloc style tactics. Not necessarily all black like Antifa, but we should make an effort to hide our identities when in public
8:40:17 PM	[REDACTED]	We could have ran them the fuck over in DC and they wouldn't have been able to do shit
8:40:54 PM	[REDACTED]	We absolutely could have.
8:41:51 PM	[REDACTED]	[REDACTED] [REDACTED]
8:42:20 PM	NOBLE LEAD 581632416	I had a plan for it... But someone talked me out of it
8:42:48 PM	[REDACTED]	Masks, standardized attire, etc. Same thing black bloc does to make individual identification as difficult as possible.
8:44:30 PM	[REDACTED]	Wasn't me. I had 150 pissed off PB that just got maced. It took all i had with Aaron's help to calm them
8:56:05 PM	Joe Biggs 654712116	Yeah. We could have
8:58:03 PM	NobleBeard 1261651524	Cannon kept telling me to give the order to push through them. Lol
8:58:07 PM	NobleBeard 1261651524	He was wild. Lol
8:58:26 PM	Joe Biggs 654712116	I wanna fuck shit up
8:58:54 PM	NobleBeard 1261651524	I should go to BLM plaza and stab 4 people and see what happens to me
8:59:25 PM	NobleBeard 1261651524	Think I would be out on \$550 bail in 26 hours?
8:59:46 PM	[REDACTED]	It's coming to it. I mean how much longer are we going to let this shit continue.
9:00:08 PM	NobleBeard 1261651524	#fucktheblue
9:00:35 PM	[REDACTED]	Agree, they chose their fucking side so let's get this done.
9:00:41 PM	NOBLE LEAD 581632416	Lol I was the one that told him to
9:26:09 PM	Joe Biggs 654712116	I'm ready to just be the Zamboni
9:26:16 PM	Joe Biggs 654712116	And roll over mother fuckers
9:29:08 PM	NobleBeard 1261651524	And I was trying to get him to chill cause I figured you wouldn't want us to do that lol
