It will be straight up stab vest.</p> <p>Not that I have a ton to worry about. My face is all over those pictures and no one even knows I exist which is just the way I like it.</p>
4:20:27 PM	Aaron Of The Bloody East 668358826	Especially considering Jeremy and the guy from Tennessee were wearing plate carriers when they were stabbed. I would like to know if the carriers they were wearing took any stabs.

7:54:01 PM	YutYut Cowabunga 586406520	Ok so I have a question. I've got 3 first degrees (our vetting process is quite extensive) but they are solid and all were at DC last time and followed my orders and want to be a part of this. I make them put 1° in their title until they get their 2nds. I am still wary about adding them however since they aren't officially 2nds. What do you guys think and is there a ruling on this?
7:54:45 PM	Captain Trump 454128414	How long you keep guys 1sts?
7:55:41 PM	Johnny Blackbeard 759787552	I have a similar situation. My guys are 1st degree for 6 months.
7:57:37 PM	YutYut Cowabunga 586406520	We keep them as a prospect until they make a public meeting and pass a background check and send us a pic of them with their drivers license. Then we send them into stage 2 prospect if we like them where they have to meet us 3 times as well as allow us to visit their home. Then if we still like them we vet them as 1st degrees at which point they have to attend 3 official meetups and one public charity or event. Then if we still like them we beat them in
7:57:59 PM	YutYut Cowabunga 586406520	So usually they are 6 months prospect and about 4 as a 1st degree
7:59:20 PM	YutYut Cowabunga 586406520	These particular dudes I haven't seen intoxicated either, and they are very responsible
8:00:02 PM	NOBLE LEAD 581632416	
8:00:43 PM	NobleBeard 1261651524	This is how we do it
8:01:03 PM	YutYut Cowabunga 586406520	So my guys don't get it before the 3 months period.
8:01:26 PM	YutYut Cowabunga 586406520	These guys were all at the DC rally and followed my commands the entire time
8:01:39 PM	YutYut Cowabunga 586406520	If no one else is allowing 1st degrees I won't either
8:01:50 PM	YutYut Cowabunga 586406520	I was just wondering what everyone else was doing
8:02:07 PM	Captain Trump 454128414	I mean, I didn't, idk about anyone else

8:26:12 PM	Hadji 527319933	Some point declared unlawful assembly and started pepper spray/balling people that didn't back up

8:35:32 PM	NOBLE LEAD 581632416	Who's the Prez there?
8:36:51 PM	Johnny Blackbeard 759787552	Agreed
8:36:53 PM	Aaron Of The Bloody East 668358826	Our disposition towards the police needs to be reevaluated
8:37:17 PM	Johnny Blackbeard 759787552	Not sure what to do about it thought because it would be an escalation that we would never be able to back away from
8:38:38 PM	Aaron Of The Bloody East 668358826	I see it as an inevitability.
8:39:54 PM	Johnny Blackbeard 759787552	Very true. I'm ready for the escalation but i worry about some of our guys.
8:40:09 PM	Aaron Of The Bloody East 668358826	We can/should start adopting black bloc style tactics. Not necessarily all black like Antifa, but we should make an effort to hide our identities when in public
8:40:17 PM	Johnny Blackbeard 759787552	We could have ran them the fuck over in DC and they wouldn't have been able to do shit
8:40:54 PM	Aaron Of The Bloody East 668358826	We absolutely could have.
8:41:51 PM	Hadji 527319933	John @Salemprez
8:42:20 PM	NOBLE LEAD 581632416	I had a plan for it... But someone talked me out of it
8:42:48 PM	Aaron Of The Bloody East 668358826	Masks, standardized attire, etc. Same thing black bloc does to make individual identification as difficult as possible.
8:44:30 PM	Johnny Blackbeard 759787552	Wasn't me. I had 150 pissed off PB that just got maced. It took all i had with Aaron's help to calm them
8:56:05 PM	Joe Biggs 654712116	Yeah. We could have
8:58:03 PM	NobleBeard 1261651524	Cannon kept telling me to give the order to push through them. Lol
8:58:07 PM	NobleBeard 1261651524	He was wild. Lol
8:58:26 PM	Joe Biggs 654712116	I wanna fuck shit up
8:58:54 PM	NobleBeard 1261651524	I should go to BLM plaza and stab 4 people and see what happens to me
8:59:25 PM	NobleBeard 1261651524	Think I would be out on \$550 bail in 26 hours?
8:59:46 PM	Johnny Blackbeard 759787552	It's coming to it. I mean how much longer are we going to let this shit continue.
9:00:08 PM	NobleBeard 1261651524	#fucktheblue
9:00:35 PM	Johnny Blackbeard 759787552	Agree, they chose their fucking side so let's get this done.
9:00:41 PM	NOBLE LEAD 581632416	Lol I was the one that told him to
9:26:09 PM	Joe Biggs 654712116	I'm ready to just be the Zamboni
9:26:16 PM	Joe Biggs 654712116	And roll over mother fuckers
9:29:08 PM	NobleBeard 1261651524	And I was trying to get him to chill cause I figured you wouldn't want us to do that lol

8:23:51 PM	YutYut Cowabunga 586406520	 <i>[laughing]</i>
8:24:08 PM	Joe Biggs 654712116	why are we trending
8:24:12 PM	Joe Biggs 654712116	we are all in the news
8:28:29 PM	NOBLE LEAD 581632416	 <i>I don't see that we're trending.</i>
8:28:53 PM	NobleBeard 1261651524	Because we are silent big Dick ninjas
8:34:20 PM	Johnny Blackbeard 759787552	I wish
8:35:00 PM	NOBLE LEAD 581632416	 <i>I wish we were half as cool where we could coordinate something like this. If we wanted to. In Minecraft. But the truth is we can't even get guys to march in the same direction.</i>
8:35:40 PM	Johnny Blackbeard 759787552	 <i>Right? Imagine if anybody actually knew how fucking retarded our members are. I wonder if they'd even acknowledge it at this point. Because of how wrong they will have to admit they have been for all these years.</i>

7:09:33 PM	NOBLE LEAD 581632416	 <i>Yeah, let's do this from the ground tomorrow while I'm in D.C. The problem that I have is, we're only going to be talking about certain aspects of it, but, um, I'm getting so many conflicting issues with, like, stages, locations, and times that, um, that I don't know where to put people. I do know that we gotta be out, uh, very early.</i>
7:09:39 PM	Johnny Blackbeard 759787552	Brian James buddy Marvin?
7:10:44 PM	Johnny Blackbeard 759787552	 <i>Well, I mean, the main operating theater should be out in front of the House of Representatives. It should be out in front of the Capitol building. That's where the vote is taking place, and all the objections. So we can ignore the rest of these stages and all that shit, and plan the operations base around the front entrance to the Capitol building. Um, I strongly recommend you use the national mall and not Pennsylvania Avenue, though. It's a wide open space, you can see everything coming from all angles.</i>
7:11:05 PM	Johnny Blackbeard 759787552	 <i>At this point with the, the signals coming out of D.C. Metro, I'd be worried about them grabbing a Proud Boy or something like that from a fucking side street or, you know, who knows at this point, they just can't be trusted.</i>
7:14:21 PM	Captain Trump 454128414	Is @NobleLead still doing a speech? Where is that? These are things that are holding up my thought process for the moment. Other than that the capitol is a good start
