

Skull and Bones

Nov. 7, 2020

Time	Name	Message
11:43:04 AM	[REDACTED]	Just heard Biden won. Damn
11:52:22 AM	Enrique Florida Pb 581632416	Dark times if it isn't reversed...and if it's reversed...civil war
11:59:08 AM	[REDACTED]	Has an election result ever been reversed?

2:05:46 PM	[REDACTED]	It's civil war either way
2:15:29 PM	Nick Ochs 258844558	It's really not. The odds are with us because of the Supreme Court boys. I'm pro violence but don't blow your load too soon
2:16:33 PM	Nick Ochs 258844558	Not to be an anti-murder buzzkill but I really think this ISNT fucked. Once it is, let's go wild.
2:17:27 PM	Nick Ochs 258844558	Bush/gore ruling took till December. Same papers said the same shit. Trump has a MUCH stronger case
2:24:03 PM	[REDACTED]	Did gore initially look like he had the votes too?
2:24:54 PM	Enrique Florida Pb 581632416	He was declared the winner at one point
2:25:58 PM	[REDACTED]	If they declare trump winner it's war, if they don't it's war. How do you see it going any other way?
2:26:17 PM	Nick Ochs 258844558	He might have actually won. It was a legit question.

2:29:09 PM	Nick Ochs 258844558	The system is still intact enough to supply a ruling AND to put down one side with repression (hint: us). Don't fuck up the ruling. It's a better chance than fighting
2:29:20 PM	Nick Ochs 258844558	Yes
