7:54:01 PM	YutYut Cowabunga 586406520	Ok so I have a question. I've got 3 first degrees (our vetting process is quite extensive) but they are solid and all were at DC last time and followed my orders and want to be a part of this. I make them put 1° in their title until they get their 2nds. I am still wary about adding them however since they aren't officially 2nds. What do you guys think and is there a ruling on this?	
7:54:45 PM	Captain Trump	How long you keep guys 1sts?	
7:55:41 PM		I have a similar situation. My guys are 1st degree for 6 months.	
7:57:37 PM	YutYut Cowabunga 586406520	We keep them as a prospect until they make a public meeting and pass a background check and send us a pic of them with their drivers license. Then we send them into stage 2 prospect if we like them where they have to meet us 3 times as well as allow us to visit their home. Then if we still like them we vet them as 1st degrees at which point they have to attend 3 official meetups and one public charity or event. Then if we still like them we beat them in	
7:57:59 PM	YutYut Cowabunga	So usually they are 6 months prospect and about 4 as a 1st degree	
7:59:20 PM	YutYut Cowabunga 586406520	These particular dudes I haven't seen intoxicated either, and they are very responsible	
8:00:02 PM	NOBLE LEAD 581632416	[Empty File]	
8:00:43 PM	NobleBeard	This is how we do it	
8:01:03 PM	YutYut Cowabunga	So my guys don't get it before the 3 months period.	
8:01:26 PM	YutYut Cowabunga	These guys were all at the DC rally and followed my commands the entire time	
8:01:39 PM	YutYut Cowabunga	If no one else is allowing 1st degrees I won't either	
8:01:50 PM	YutYut Cowabunga	I was just wondering what everyone else was doing	
8:02:07 PM	Captain Trump	I mean, I didn't, idk about anyone else	
8:02:19 PM	Captain Trump	Tough call	
8:02:53 PM	NobleBeard 1261651524	I would say 2nd and up	
8:02:57 PM		If you trust them enough to add them to something like this, why not just make them a 2nd degree?	

We go 45 for first 45 for second but but 8:04:06 usually have around 8-10 meetups before PM the second. I've got one first I want to get he was fantastic in dc. But I'm gonna make

10:04:16 PM	Rufio PNW 573782641	I know. I'm talking about putting funds together for a specific list of items for leadership only. Not everyone can afford them and that's fine, but let's put a list together and I'll see what I can do	
10:04:51 PM	Captain Trump	Yeah exactly, I didn't have issues personally in DC, just heard some others say they did	
10:05:47 PM		Leadership uniform suggestion not larpy at all	
10:07:03 PM	Captain Trump	Lmao, I couldn't imagine the memes that would come from this

8:35:32 PM	NOBLE LEAD 581632416	Who's the Prez there?
8:36:51 PM		Agreed
8:36:53 PM		Our disposition towards the police needs to be reevaluated
8:37:17 PM		Not sure what to do about it thought because it would be an escalation that we would never be able to back away from
8:38:38 PM		I see it as an inevitability.
8:39:54 PM		Very true. I'm ready for the escalation but i worry about some of our guys.
8:40:09 PM		We can/should start adopting black bloc style tactics. Not necessarily all black like Antifa, but we should make an effort to hide our identities when in public
8:40:17 PM		We could have ran them the fuck over in DC and they wouldn't have been able to do shit
8:40:54 PM		We absolutely could have.
8:41:51 PM		
8:42:20 PM	NOBLE LEAD 581632416	I had a plan for it
		But someone talked me out of it
8:42:48 PM		Masks, standardized attire, etc. Same thing black bloc does to make individual identification as difficult as possible.
8:44:30 PM		Wasn't me. I had 150 pissed off PB that just got maced. It took all i had with Aaron's help to calm them
8:56:05 PM	Joe Biggs 654712116	Yeah. We could have
8:58:03 PM	NobleBeard 1261651524	Cannon kept telling me to give the order to push through them. Lol
8:58:07 PM	NobleBeard 1261651524	He was wild. Lol
8:58:26 PM	Joe Biggs 654712116	I wanna fuck shit up
8:58:54 PM	NobleBeard 1261651524	I should go to BLM plaza and stab 4 people and see what happens to me
8:59:25 PM	NobleBeard 1261651524	Think I would be out on \$550 bail in 26 hours?
8:59:46 PM		It's coming to it. I mean how much longer are we going to let this shit continue.
9:00:08 PM	NobleBeard 1261651524	#fucktheblue
